

DIY Seller

Tired of the hassles with online selling & hosting garage sales? Our average seller earns \$500 in one weekend!

- Sellers prep, price, create tags in our online tagging system, drop off & place their items in the designated areas on the sales floor.
- Sellers earn 60% on sold items.
- Sellers have the option of helping during a shift at the sale to earn an additional 10% & shops the presale before the general public.
- Seller has the option to help at multiple shifts to shop even earlier.
- Sellers will receive a E-check via email within 14 days or via postal mail within 3 weeks after the completion of the event.
